Gov. Gooding, of Idaho, granted a reprieve to Harry Orchard, sentenced to be hanged Friday of next week, to July 2.

Gov. Harris, of Ohio, has ordered troops to go to the Ohio barley tobacco district. Troop B, of Columbus, will be sent to Brown county.

Night riders in Bracken county whipped two farmers who were preparing to plant tobacco, using a black-snake whip on their bare backs.

A band of 25 masked men visited four farmers in Bracken county. John Sanders was made to scrape his tobacco bed and was whipped until the blood came. Another farmer's vehicle were burned.

The Adjutant General of Ohio, in a report to the Governor, says that the situation in the tobacco belt is serious and that the farmers of Brown county are worn out by nightly vigils. He makes no recommendations for steps to be taken to protect the growers against night riders.

In a fight between Daniel White and James Biddy Fugate at the former's farm, two miles above Jackson, in Breathitt county, Fugate was killed and White was wounded in the face with birdshot. The men lived on adjoining farms and had been on unfriendly terms for some time.

Four men have been arrested in connection with the robbery of the Ballard County Bank at Bandana and the police are searching for a fifth, who is believed to have gotten away with the money. One of the men arrested is the telephone operator at Bandana, who, it is alleged, played the part of a victim of the robbers.

Ed Callahan was probably fatally wounded by his brother-in-law, John Spicer, at Callahan's store on Long's Creek, Breathitt county, and Spicer was in turn shot and killed by Callahan's 17-year-old son, as a result of a quarrel between Callahan and Spicer. Spicer was a brother of Mrs. Callahan, who is now separated from her husband. Callahan brought suit for divorce several months ago and this and trouble in settling up their partnership business caused the difficulty.

Investigation of the fire at Laporte, Ind., which destroyed the home of Mrs. Belle Gunness and in which she and her children were supposed to have been burned to death, lead the police to believe that the place was a clearing-house for the victims of murderers. Five bodies were unearthed, one being Andrew Heldgren, of Aberdeen, S. D., who had courted Mrs. Gunness by mail and came to see her. His body was found cut to pieces. Mrs. Gunness' two husbands died under mysterious circumstances. The woman is believed to have escaped previous to the fire. Some of the bodies found are believed to have been shipped from Chicago, as five trunks were recently received by express from that city.

"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop, of Racine, Wis. Not a grain of real coffee is in it either. Dr. Shoop's health coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert, who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by Penny's Drug Store.

Mrs. Blank—I can remember the day when you begged me to say the word that would make you happy for life.

There is no plausible excuse for a young lady or gentleman to so far forget themselves as to disturb religious worship, as was done last Sunday evening, and their names will be published in these columns upon the next offense.

At noon Wednesday, May 6, at the residence of Dr. E. M. Green, of Danville, by that gentleman, Miss Katherine Blain Hall, of Hustonville, and Wallace Dean Wolfe, of Covington, were married. Thomas Wolfe, of Williamstown, and is a young man of sterling character and of fine business qualifications. He is an active partner in the Wm. H. Druggists everywhere sell them as Dr. Shoop's Headache Tablets, but they stop other pains as easily as headache. Dr. Shoop's Pink Pain Tablets simply coax blood pressure away from pain centers—that is all. Pain comes from blood pressure—congestion. ## DEMOCRATIC TICKET.

For Congress

HARVEY HELM

of Lincoln county.

THE COURT OF APPEALS reversed the decision of the Anderson Circuit Court in the case of Noel Gaines against the Kentucky State Journal at Frankfort. The fellow Gaines sued the Journal for an immense sum of money, claiming that his reputation had been injured by a publication. After a long drawn out trial the jury returned a verdict of \$2,000. One of the reasons given for the reversal is that the trial judge, Judge Frank Peake, refused to vacate the bench when it was clearly shown that he was prejudiced in the matter. A new trial is ordered but we doubt that Gaines will push the case further.

It is stated that the Pennsylvania railroad alone has 90,000 idle cars and 500 idle locomotives, whereas last year sufficient cars could not be had for the traffic. Prosperity and the full dinner pail can not be the slogan of the Republican party during the coming presidential campaign. The advance agent of prosperity's occupation is gone.

The republicans did not nominate a candidate for Congress at the Shelbyville convention but say they will do so later. Seems to us they had better postpone indefinitely the proposition and not bother Hon. Harvey Helm with opposition. They can't beat him any way.

The republican convention at Louisville is a hot one. Very little work had been accomplished when we went to press, but all indications point to the certainty of Taft getting Kentucky's delegate vote.

Gov. WILLSON had not pardoned powers and Howard when we went to press but we'll wager they'll both be free before our next issue is printed.

## POLITICAL.

Ohio Democrats nominated Judson Harmon, of Cincinnati, for governor. The credentials of Senator-elect Bradley were presented to the Senate and ordered filed.

Senator Penrose, who was critically ill at his home in Philadelphia recently, has returned to his duties in Washington.

New Jersey republicans in convention at Trenton voted to send an unqualified delegation to the Chicago convention.

If Senator-elect Bradley had the tact and level-head of his brother-in-law, Judge T. Z. Morrow, he would not now be so deep in the soup.—Somerset Journal.

Gov. Hanly, of Indiana, has accepted the invitation to deliver the speech nominating Vice President Fairbanks for the presidency at the Chicago convention.

Democratic conventions held throughout Texas very generally instructed for W. J. Bryan for president. A majority of the counties endorsed Senator Bailey for delegate at large.

The Senate passed without amendment a House resolution appropriating \$250,000 for the relief of the sufferers from the tornado in Georgia, Alabama, Mississippi and Louisiana on April 24.

President Roosevelt's Administration was endorsed by the Connecticut Republican State Convention, and ten of the 14 delegates to the National Convention at Chicago were instructed to vote for William H. Taft for the party's presidential nominee.

## IN NEIGHBORING COUNTIES.

Mike Kearns, a well-known citizen of London, is dead, aged 50.

Floyd Graham was killed at Barbourville while trying to mount a freight.

W. B. Clark, a reputed capitalist from the East, was arrested at Lawrenceburg charged with obtaining money under false pretenses.

Tuesday night, near Altamont, Sam Hensley, a white miner, was perhaps fatally wounded by Frank Johnson, a Georgia Negro, whom he was attempting to make leave the place.

At Lebanon Junction Thomas Underwood shot and seriously wounded his wife. He was cleaning the weapon when it went off accidentally. The husband is almost frantic with grief.

Suddenly stricken with heart failure, Mrs. Sarah Manning died at her home at Manchester. She was the wife of Dr. I. P. Manning, a prominent physician, who was for several years school superintendent of Clay county.

Gov. Willson pardoned Grover C. Allen, of Mt. Vernon, convicted of bigamy and sentenced to the penitentiary for three years, because Allen, being an uneducated boy, thought he had secured a divorce from his first wife when he married the second time.

A Danville special says: Twenty members of Company G, this city, were ordered on duty by the Adjutant General's department. They were mounted and left under sealed orders, going in the direction of Harrodsburg. It is presumed they are out on night rider service.

Gov. Willson appointed Judge W. L. Brown, of London, special judge to try 10 cases in the Leslie Circuit Court. The regular judge, L. D. Lewis, was disqualified as he had been employed in the case before he became judge or was related to the parties concerned in the cases.

## CHURCH MATTERS.

Eld. Joseph Ballou will preach at the Christian church Sunday morning.

Eld. J. G. Livingston will preach at Holdam's Mill next Sunday morning at 11 o'clock, and at Pleasant View at 3:30 that afternoon.

There will be no services at the Presbyterian church Sunday morning or evening. The pastor, Rev. J. L. Yandle, will preach at Campbellsville. Sunday school and Christian Endeavor will be held as usual of course.

Subject Sunday morning at the Methodist church II Peter 1-5 or "Addition and Subtraction of the Gospel." Epworth League service 7:15 P. M. Mercy and help department. Preaching at 7:45 Sunday night. Pastor.

The protracted meeting conducted by Dr. I. J. Spencer, of Lexington, is still in progress at the First Christian church. In spite of the very inclement weather the audiences are good, and a very flattering degree of interest continues to be manifested. Dr. Spencer has few superiors as an evangelist, and his sermons are powerful and full of simple eloquence. Additions are still coming into the church at a good rate, about 50 accessions being reported to date. The services are full of interest, and are greatly enjoyed by the community.—Richmond Register.

"The luckiest day of my life was when I bought a box of Buckle's Arnica Salve," writes Charles F. Budahn, of Tracy, California. "Two 25c. boxes cured me of an annoying case of itching piles, which had troubled me for years and that yielded to no other treatment." Sold under guarantee at Penny's Drug Store.

Twenty-two Lyon county farmers, charged with participating in the raids of night riders on Dycusburg and View, surrendered at Eddyville and were taken to Marion. Fourteen furnished bond. The town is being patrolled by troops.

At Cleveland, O., C. Kuppe, a music teacher, chloroformed his imbecile daughter and then hanged himself.

Milton Trimble and Miss Gertie Leech were joined heart and hand at Kingsville Wednesday.

James Benedict, aged 27, and Miss Ellen Wilson, 15, both of Parksville, were married last week.

W. T. Allen, of Liberty, and Miss Jane Prewitt, of Campbellsville, were married at the McCullom Hotel, Junction City, by Rev. J. J. Dick.

Handsome engraved invitations are being received by their many friends to the marriage of Miss Lucy Miller Givens, the charming daughter of Mr. and Mrs. George Carpenter Givens, to Mr. Samuel Dean Bartley, of Corydon, Ind. The wedding will occur at the Christian church in Stanford at 1:30 Tuesday afternoon, May 19th, and will be an elegant affair in every detail. The prospective bride is one of Lincoln county's fairest daughters, while the man who has won her heart and hand is a fine gentleman and successful business man.

## GILBERT CREEK BARGAIN STORE.

## Pence, Jr.

Pence, Jr., will make the season of 1908 at my barn, 1/2 mile from Rowland, at \$10 to insure a living colt. If mare is traded or parted with, the season money becomes due.

Pence, Jr., bay stallion 5 years old, full 16 hands high, good style and action. By Alexander's Abdallah. Pence's 1st dam by Almont Forrester, 2nd dam by Garrard Chief, 3rd dam by Grey Eagle, 4th dam by Copperbottom. Pence, Jr.'s 1st dam by Ed Barlow, 2nd dam by Castelar, 3rd dam by Volunteer, 4th dam by Barlow's 1st dam by Woburn, 2nd dam by a Mambrino horse, 3rd dam by Mambrino Messenger. Pence, Jr.'s 2d dam by Gill's Vermont.

Will stand at \$2 per month; not responsible for accidents or escapes should any occur.

J. Z. SPOONAMORE, Rowland, Ky.

## PRESTON 922.

(Vol. 11.)

Preston is one of the greatest five-gaited show horses that Kentucky has ever produced, winning at all the Kentucky fairs and also at the horse shows at Louisville, St. Louis and Kansas City. He is a brown horse with black points, 15 1/2 hands high, with fine style and very high action.

Sired by Washington 54.  
First dam Bell, by Rhoderick 104.  
Second dam by Denmark.

It is a pity to connect him, as the people of this and adjoining counties know his record as a show horse and also for breeding purposes.

He will make the season of 1908 at my stable in Crab Orchard at \$15 to insure a living colt. Will keep mares on grass at \$2 per month, but not responsible for accident or escape of stock. Season due if mare is traded or parted with.

J. C. BAILEY,  
Crab Orchard, Ky.

## PEYTON.

My fine mule Jack, will make the present season at Moreland, Ky., at \$8 to insure a living colt. He is a sure foal getter and I consider him an extra good mule Jack. His mules round up, when matured, right at 16 hands high. A fine black Jack.

## TURNER.

With white points, 15 hands, 1 inch, will be permitted to serve mares at \$8 to insure a living colt. He is a sure foal getter, and they are extra good. I have two young Jacks, Sunrise and Midday that will serve a few mares gratis.

My likes horse,  
Independence Chief,  
will serve a limited number of mares at \$8 to insure a living colt. Independence Chief's 1st dam by Gambetta Wilkes with five producing dams and sired by Cecilian Chief.

B. B. KING, Moreland, Ky.

## Antecarlo 2:26 1-2,

Made over Versailles track in winning race. Sired by Anteo 2:16 1/2, that sold for \$50,000 at public sale. 1st dam Mary Ann, by Hall storm 815, son of Mambrino Patchen. These two crosses produced The Abbot, 2:06 1/2, champion trotting gelding of the world, 2nd dam by Independence, son of Andrew Jackson, Independence's dam by American Star. The American Star and Andrew Jackson blood is responsible for the fastest stallion. You see Antecarlo's two top crosses are responsible for the fastest gelding, two next crosses are responsible for the fastest stallion. Then you see he is better bred than either of them for he has the blood of both. Antecarlo is a solid brown horse, 15 1/2 hands high, weighing 1,700 pounds, fine style and action. Will stand at \$10 to insure mare colts and \$8 to insure horse colts.

## BUCK VARNON.

Black Jack with white points, 5 years old, 15 1/2 hands high. Fine breeder and great individual. A Jack of fine bone and action. Will stand at \$10 to insure a living colt. Lien retained on colts for season money. Mares traded or bred to other horses forfeit insurance and makes season money due. All will stand at my place this year. Pike 3 miles from Stanford. Mares grazed at \$2 per month. Care taken to prevent accidents, but not responsible should and occur.

DISMON & SMITH, Stanford, Ky.

## Chester S.

This son of Chester Dare will make the present season at my barn 1 1/2 miles from McKimney on McKinney and Middleburg pike at \$10 to insure a living colt.

DESCRIPTION AND PEDIGREE.—He is a black with star in forehead, 16 hands high, with all the style and finish characteristic of the Chester Dare family, a good acting horse and a proven breeder. See him before buying your mares if you are looking for a good breeder at living price. Sired by Chester Dare, 1st dam by Telegraph. 2nd dam by Hippy by Mambrino Chief.

A. S. H. R.

## Chester Peavine 3184.

In offering the service of this young stallion to the public I do not hesitate to say he is the best bred saddle stallion that will be offered for service in this county this year. As his breeding will show. Sired by Rex Peavine 1796, he by Rex McDonald 888, 1st dam Miss Madison 498, she by Chester Dare, 2nd dam by Peavine 86, more extended pedigree will be furnished on application. This stallion has the best blood of the saddle horse world in him. Both 2nd dams by Peavine 86, crosses twice to Black Squirrel, twice to Stonewall Jackson, once to Dave Akin 715. With the style and finish of Chester Dare, the stamina and action of Peavine, how can he breed wrong. His sire, Rex Peavine, produced three championship winners of last year in Ben Mae, Mattie Bales and May Day. See and breed to him if you want the best. Will serve a limited number of mares at \$8 to insure a living colt.

At the same time and place will stand three as good mule Jacks as can be found in the country at the low price of \$8 to insure a living colt.

Money due with all the above advertised stock when colt is foaled or when mare leaves hands of owner at time of service, or bred to other stock. All colts taken to prevent accidents, but not responsible should any occur. Grass at reasonable price.

R. S. SOUTHER, McKimney, Ky.

He is a dark bay, 16 hands and weighs 1,300 pounds. As a breeder he has few equals; a proven and uniform breeder of high-class show and road horses combining all the qualities for harness and saddle and in demand at top prices. 10 of his get having sold for \$10,500 and 11 3 and 4-year-olds, only farm broken (my own raising) have sold in the past year for an average of \$850.

## DON VARRICK.

This magnificent bred young stallion will make the season of 1908 at my place in Stanford, Ky., for known as the Don Varrick. He is a rich chestnut, 16 1/2 hands, snip in forehead, white feet, no weak links behind, short back, excellent bone and fine muscles, just the type you are looking for to breed your mares. Don Varrick is by the great forward Silver 2:05 1/2, that sold for \$1,000, he by Onward, one of the very best sons of George Wilkes. Onward was out of Dolly and no mare ever produced 2 such illustrious sons as Onward and Director. Onward Silver won the Transylvania in 1902 in a 7 heat race, defeating such talent as Rustle Jay 2:06 1/2 and Chain Shot. The same year he won the Banner Memorial and Massachusetts in broken heats. Don Varrick's 1st dam by Wilkes Boy by George Wilkes and a full sister to The Wagoner, 2nd dam, May, by Bogg's Grey Eagle, 3rd dam of Madry, by Bogg's Grey Eagle, 4th dam of Madry, by Patchen, she the dam of Ruber 2:10, Winchester 2:19 1/2, Billy Wilton 2:20 and Miss 2:25. This rich inheritance of speed and blood lines should appeal to the public who wishes to breed.

Mares kept at 10c per day. All care taken but will not be responsible for accidents or escapes.

DR. G. G. PERRY, Stanford.

Also the sire of one dam with one in the 2:30 list. Sired by Gambetta Wilkes 2:19 1/2, the sire of 200 in the 2:30 list, is 2:10 and 2:10, bred, claimed to be the greatest sire in the world, 1st dam, Daisy Field (grand dam of 5 with records of from 2:17 to 2:20), by Enfield 2:29, son of Hamilton, 10, 2nd dam by Seeley's American Star. Galton's colts have gone against and defeated the best in harness classes and roadster rings, they are in great demand, selling as high as \$1,000, after maturity, yearlings from \$150 to \$200. Galton will stand at my stable 2 miles west of Hustonville on Bradfordsville pike at \$15 to insure a living colt. Money due if mare is traded after being bred. NOTE.—Almont Dare, so far as we are able to discover, is the first horse on record having to his credit the honor of defeating with his own progeny, those of his great sire Dignity Dare, doing so last year every time coming in contact with them. As an individual this is a very attractive horse, standing 16 hands with great style. A beautiful bay with manners unparalleled even by a filly. A remarkable show horse in harness and under saddle. ## Morgan Denmark.

This fine stallion will make the present season at the low price of eight dollars to insure a living colt. He has more Denmark blood than any living stallion as will be shown by his pedigree. Morgan Denmark's first dam, Lady Morgan, was one of the best saddle and show mares in Kentucky. She was sired by Stonewall Jackson.

## J. K. BAUGHMAN.

Black Jack with white points, 16 1/2 hands high, large head and ears, heavy bone, was sired by Parkville's Napoleon, J. K. is an excellent mule and jennet Jack and a proven sure foal getter. As a breeder he has been true and proven second to none in this locality. He will stand at the low price of \$8 to insure a living colt. Jennets same terms as mares.

## JOHN.

The noted Sam Cochran Jack has been tried in this locality for 10 years and given satisfaction. He is in splendid condition to make the present season and will stand at the low price of \$7 to insure a living colt. You run no risk in patronizing such a Jack.

## BULL.

Will stand a fine Polled Angus bull at one dollar at the gate. He has proven an excellent breeder.

The above mentioned stock will stand at my barn one mile North of Preachersville on the Lancaster and Crab Orchard pike. Mares and jennets grazed at a reasonable price. My individual attention given at all times and skilled service rendered, but not responsible should any occur.

THE great Kentucky Derby was won at Louisville Tuesday by Stonestreet, a rank outsider, in the slow time of 2:15. She was a daughter of the late Mr. William Harrison Hocker and since his death and that of her mother she had lived with her sister, Miss Jennie Hocker, and brother, Mr. J. Warren Hocker. The three were very devoted and this further breaking up of the family circle causes great sorrow in the household. Much sympathy is felt for the survivors. Miss Hocker was a kind, gentle woman and was greatly loved by all who knew her. Rev. Joseph Balou preached a brief funeral discourse at her grave in Buffalo Cemetery at 3 o'clock Wednesday afternoon, after which the body was laid away to await the resurrection morn.

Tired nerves, with that "no ambition" feeling that is commonly felt in Spring or early Summer, can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. One will absolutely note a changed feeling within 48 hours after beginning to take the Restorative. The bowels get sluggish in the winter-time, the circulation often slows up, the kidneys are inactive, and even the heart in many cases grows decidedly weaker. Dr. Shoop's Restorative is recognized everywhere as a genuine tonic to these vital organs. It builds up and strengthens the worn-out weakened nerves; it sharpens the failing appetite, and universally aids digestion. It always quickly brings renewed strength, life, vigor and ambition. Try it and be convinced. Sold by Penny's Drug Store.

John H. Cooper will grow six acres of tomatoes this year on his farm near Midway and seven acres on his place in Owen county. He has engaged the crop to the Frankfort canning factory at 20 and 25c a bushel.
